Michael,

There is an editorial red-line but it includes mostly small changes from numerical numbers to spelled out numbers and some formatting.

The substantive changes I made to the Draft Final Design text are only those identified in the Final Response to Chemours Comments document where it indicated what changes SulTRAC would make to the Pre-final Design text and specs.

Subject: Deliverable: Draft Final Design Documents for USS Lead Zone 1

Michael,

Please find attached the Draft Final Design documents for the USS Lead Zone 1 as you have

requested.

The detailed design documents for each property are contained on PDFs (referred to as Appendix A) which will be placed on the FTP site for your use. When you need a CD or other file containing all the Zone 1 designs, please let SulTRAC know and we will provide the appropriate transfer mechanism.

Please contact me at your convenience with any comments or questions.

Sent for Rik Lantz, Project Manager.
